

GoFundYe: Gratitude, Generosity, and Developing a Default 'Yes'- Brian Mansfield

What happens when we take Matthew 5:42 seriously? In a class that will extend beyond the walls of the building and one hour on Sunday morning, we will seek to develop the discipline of generosity. Participants will be asked to find places to give small amounts of money each day, then come together weekly to discuss how the practice of daily giving, both individually and collectively, affects our relationship with money — and with others.

Weathering the Storm

Everyone has a story. Whether it includes tragic events, profound loss, or lack of faith, we all face storms. (If you haven't faced one yet, you can be sure one is brewing.) Class discussions, studying God's Word, and prayer for guidance are all a part of this class. Come join us as we help each other weather our storms by looking to God, the One who is mighty to save!
